COINS N' GOLD EXCHANGE

157 Marlborough St. (Rt. 66) Portland
860-342-2100 • www.coinsngold.com

We'd like to thank all our customers for trusting us when they sold us their unwanted gold, silver, and platinum jewelry, sterling flatware, gold dentures, US and foreign coins, old bills, pocket watches and other collectibles. Since opening our BBB-accredited business 15 years ago, we've paid out over \$11 million.

We are not a pawn shop.

All our transactions are handled in a clean, professional environment with discreet and courteous attention given to our customers. We are available off-hours to accommodate those customers needing special attention.

Since most of our business is through word-of-mouth from our satisfied customers throughout all of Connecticut (which include doctors, lawyers, police officers, and town officials), we keep our advertising costs low.

Don is our staff numismatist with over 27 years experience in coins and currency, grading and authentication, and market valuation.

Steve is our resident retired police officer and has an outstanding funny personality, that warms everyone's hearts.

Trust Don and Steve with your items and get some \$\$\$\$ today.

Common Symptoms

Include:

Suffering from **Wet** Basement Syndrome?

Here's Why!

If you're keeping a shop-vac on hand you're going to want to hear this! Whether it's the puddle that keeps showing up after a storm or the white powder and/or mold growth covering your walls, your basement has been diagnosed WET! Flooding in your basement is due to hydrostatic pressure build up around & under your foundation forcing its entry through your floor/walls through cracks or your floor perimeter. Once water gains access, flooding chances become more common & damaging to foundation strength over time.
