Beauty, Quality, and Responsibility Since 1956

Three Generations of Roofing Service

In 1956, Donald Turner Sr. set out to create a company that operated on the principles of beauty, quality, and responsibility. Three generations later, those principles are still the driving forces behind Turner & Sons Roofing & Siding, LLC.

With more than 60 years of proven results, our company has gained a reputation for integrity and trust with families wanting high standards of construction, professionalism, and honesty.

John Hayden Turner (Donald's son) ran the John H. Turner Roofing Company until 2006, when his son, Doug Turner, joined the company. The name was then changed to Turner & Sons Roofing & Siding LLC. In 2013, Doug Turner assumed management of company operations. Hayden Turner resides as an active member and salesman.

Put your confidence in a company that has decades of experience turning houses into homes! Our contractors use careful planning and precision in their craftsmanship to keep projects on schedule and looking great.

Featured above is one of our Clopay Canyon Ridge Limited series doors. This line gives you the look of real wood, without the maintenance. With a 20.4 R value, it stands true to the Intellicore Promise of "Warmer. Quieter. Stronger." Visit our website at www.aodct.com and explore our design tool to see how this door would look on your home!

Walk By Faith Doggie Bakery & Cromwell Country Store

Established in
2012

317C Main St.
Cromwell
860-834-0261

My name is Kim Roy. I own & operate Walk by Faith Doggie Bakery & Cromwell Country Store. We have been in business for 11 years & are now open to the public with our country store as of 2020. As a single mom, I needed a way to support us in tough times. I was teaching Kindergarten & attending college again for a BA in Behavioral Health & Ethics. Who would have thought, our dog Faith would bring the way to support a family financially & emotionally. Faith was getting older & suffered from hot spots, weight issues, & slowing down with a whimper as she got off the couch. I researched for a way to help her. With good, quality natural ingredients & human grade herbs & spices in handmade treats, they changed her life. It's amazing to see the difference what these treats are doing in the lives of pups today.

Our bakery is fully open for the experience of seeing our entire hand-baking process, with smells of yummy baking even attracting the dogs & pet owners passing by. Located adjacent to a park, and trails & the CT River. We carry our treats, cat treats, pet toys, birthday cakes, a dog jerky bar, art with your dog, selfie station, bake or frost your own treats, & everything you would expect at a country store; locally made cards, candles, soaps, maple syrup, sauces, fudge, totes, honey, mugs & more. We also carry our product in local shops and grocers.

We are so proud of what Walk by Faith Doggie Bakery has become & I am enjoying this amazing journey of helping people & their pets improve their lives.

Come Visit our Bakery & Country Store! We are dog friendly!
