Kathy Riccio, Operations Manager

Services to stay comfortable year-round!

Spring is a great time to evaluate your heating & air conditioning services, so we've listed our services below.

We do heating oil!

We've been servicing oil-heated homes throughout central Connecticut since 1918. Our customers really appreciate our automatic delivery and 24/7 emergency delivery services as well as our flexible payment options!

We do gas service!

Are you tired of waiting around for your gas heating system to be serviced by the utility company? We'll make sure you're treated like a valued customer... not just a name on a waiting list.

We do air conditioning too!

We want our customers to be comfortable all year. So on a seasonal basis, we offer central air conditioning start-up and maintenance.

But our true claim to fame is customer service!

We treat our customers like family with fast and friendly service and reward loyalty through programs like our anniversary raffle.
