Beauty, Quality, and Responsibility Since 1956

Three Generations of Roofing Service

In 1956, Donald Turner Sr. set out to create a company that operated on the principles of beauty, quality, and responsibility. Three generations later, those principles are still the driving forces behind Turner & Sons Roofing & Siding, LLC.

With more than 60 years of proven results, our company has gained a reputation for integrity and trust with families wanting high standards of construction, professionalism, and honesty.

John Hayden Turner (Donald's son) ran the John H. Turner Roofing Company until 2006, when his son, Doug Turner, joined the company. The name was then changed to Turner & Sons Roofing & Siding LLC. In 2013, Doug Turner assumed management of company operations. Hayden Turner resides as an active member and salesman.

Put your confidence in a company that has decades of experience turning houses into homes! Our contractors use careful planning and precision in their craftsmanship to keep projects on schedule and looking great.

Featured above is one of our Clopay Canyon Ridge Limited series doors. This line gives you the look of real wood, without the maintenance. With a 20.4 R value, it stands true to the Intellicore Promise of "Warmer. Quieter. Stronger." Visit our website at www.aodct.com and explore our design tool to see how this door would look on your home!
